iPad or other tablet

Students will be using an iPad periodically throughout the day at school and at home, for homework and remote learning. We have a set of shared devices for use at WellSpring that will be sanitized between use. However, if you would like your child(ren) to work solely on their own iPad or tablet, we encourage you to provide one for them.

- Suggested device: iPad, tablet, or small laptop.
- Must have wi-fi accessibility.
- Must have photography and microphone capability.
- *Protective case is mandatory.*
- This iPad/tablet will be the responsibility of my child to care for. I assume all risk and will replace if damaged.
- Students must have their device (iPad/tablet) with them daily, powered up, and ready to go.

Please remember that all students must be in complete uniform every day.

Please note that items won't be shared, so each student will be responsible for their own equipment.

*Student planners and notebooks will be distributed to students on their first day of the academic year.

Secondary

- Laptop computer, with the following spec:
 - 2GHz processor or faster
 - 4GB of RAM
 - Static Memory (either HDD or SSD)
