

WellSpring Sports Excellence Awards

WellSpring will be introducing new ways to honor students' excellence in a variety of areas. The first award that will be introduced is a Sports Excellence Award given at the conclusion of the school year. Students in Grades 3-5, 6-8 and 9-12 are given multiple years to demonstrate excellence in this discipline. Students who meet the criteria will be publicly recognized in an awards assembly in June. We will introduce the first award category here and in future weeks we will outline additional categories for excellence.
