Terms and conditions

1. Tuition scope

The above schedule covers tuition only. Excursions (field trips), uniforms, school supplies, special needs, shadow fees, textbook/resources, and bus transportation are excluded and billed separately as applicable.

2. 'Due by' dates

Payments are due (**must be finished**) before the dates indicated on the above schedule.

If the full year tuition and fees is paid until 31 July 2022 by cash or dated cheque, a one time 5% discount on tuition will be applied.

Failure to pay the indicated balance by the dates listed will result in your student being placed on financial suspension—not being allowed to submit work, participate in after-school activities or go on school excursions, and limited access to PowerSchool or learning platforms.

3. Re-enrollment fee (returning students)

A payment of AED 2,000 is required before **30 April** to secure a place in the school for the next academic year. This fee will be deducted from the first installment fee and will not be refunded unless the Finance Department is notified in writing of intention to withdraw **before 1 August**. The Finance Department will be open in August to receive payments. Please note that all students must fully pay the first installment before due date to join classes from the first day of school.

4. New applicant fee (new students)

A non-refundable, non-deductible fee of AED 500 is required prior to student entrance assessment or interview.

5. Confirmation fee (new students)

A confirmation payment of AED 2,000 must be made once the student satisfies entrance requirements. This fee will be deducted from the first installment fee and will not be refunded unless the Finance Department is notified in writing of intention to withdraw **before 1 August**.

6. Mid-year enrollment (new students)

The above payment structure does not apply. Tuition is prorated as per the Ministry of Education guidelines and payable in full by the next installment deadline.

7. Life Skills class and shadow teacher fee

Students requiring special needs support in the Life Skills Program or shadow teachers will have an annual fee, which is billed separately, to provide the required staffing and support.

8. Textbook and resources fee

Amount is billed separately based on the grade level to cover the required Arabic, Islamic, Moral Education, Arabic Social Studies textbooks, and additional educational textbooks.
